

DIGITAL MARKETING IN GOLF – MEDIA DATA

Checkpoint-Golf and hole-in-one Golf Media - Your partners for optimised digital marketing in golf

A perfect match between target group and maximum outreach:

- With **Checkpoint-Golf**, the independent online comparison portal for golf equipment, you can reach golfers who are exclusively interested in golf equipment. We offer comparisons, tests and news from a wide range of manufacturers in 17 different equipment categories. We not only feature golf equipment, but also test it ourselves.

→ We are the first and only German comparison website in the DACH region
- Through the golf network of **hole-in-one Golf Media**, you will receive additional audience for your online campaigns. With over 35 golf websites and around 145.000 users, this is the perfect combination to achieve your marketing goals and increase your sales figures.

Checkpoint-Golf – The comparison portal for golf equipment

Your advantage: We give you access to a target group that is **100% interested in golf equipment**:

- ✓ Compact presentation of your products with **news, tests, videos** and **recommendations PLUS comparison possibilities**
- ✓ „**Technical terms easily explained** “ – Explanation of manufacturer-specific technical terms and resulting advantages for the golfer
- ✓ Numerous **product filters** including handicap, fault tolerance, playing comfort help the user to find the product that suits him best
- ✓ „**Test Winners** “ – At the end of the year we select and publish the winners of the products/clubs we tested in various categories over the year:

For clubs for example:

- Single-HCP
- Allround
- Game Improvement

→ **Conclusion: We set the stage for your products so you can achieve your marketing goals better - from awareness to sales.**

Advantages of connecting Checkpoint-Golf with the golf network of hole-in-one Golf Media

- We can run targeted campaigns for you on **over 35 golf websites** in the hole-in-one Golf Media network. → This allows you to generate more attention for your products by reducing spreading loss.
- Checkpoint-Golf is listed as an expert in the **equipment section** of our partner golf websites. Our news and tests are also published there (see www.golf-live.at).
